

Transitions in Level of Service

When a client transitions between levels of care but ***within the same agency*** WITS requirements can vary based on the which levels they are transitioning between. Please keep in mind that these are just the WITS/ CalOms requirements. There may be additional documentation requirements.

Level Completing	Level moving to	CalOms Discharge Required?	CalOms Admission at new level of care required?	Can change program enrollment in same episode?	ASAM required?
