

ACCESS PROGRAM

MENTAL HEALTH SERVICES

The Access Program provides 24/7 information, screenings, assessment, and referrals for mental health and substance use services.

SUBSTANCE USE DISORDER SERVICES

We provide a range of substance use treatment and recovery support services for Marin County Medi-Cal beneficiaries and low-income uninsured community members.

FAMILY SUPPORT SERVICES

This is a free, drop-in meeting open to families and friends of adults living with a person with serious mental illness. For more information, including time and location, check out the schedule on our events page: <https://bhersprevention.org/calendar>.

For Mental Health & Substance Use Assessment Services

BEHAVIORAL HEALTH & RECOVERY SERVICES-ADULT, OLDER ADULT, AND CRISIS CONTINUUM DIVISION

We offer services to adults (18+) with moderate to severe mental illness and/or co-occurring conditions, such as substance use for individuals that are uninsured, low-income, or have Medi-Cal. Services are available at multiple clinic locations to ensure timely access to our services. A team of multidisciplinary professionals, paraprofessionals, peers, and family partners provide integrated care to meet the multiple needs of our clients and families. A network of contracted services is also available in different communities to meet the needs of clients and families. Services are available in the field and available in English and Spanish. Additional language needs are met via bilingual staff and qualified translation services.

Services can be accessed through the BHRS Access line at 1-888-818-1115.

CRISIS STABILIZATION UNIT (CSU)

CSU is staffed 24 hours a day, 7 days a week. We provide timely care and assessment to all individuals seeking crisis evaluation, voluntary or involuntary.

BEHAVIORAL, RECOVERY, INTEGRATED & DEDICATED TO GROWTH & EXCELLENCE (BRIDGE)

Behavioral Recovery, Integrated, and Dedicated to Growth and Excellence Program provides case management services.

RESIDENTIAL PLACEMENT SERVICES

Residential services include assessment, case management, crisis management, psychiatric services, and daily living skills.

HELPING OLDER PEOPLE EXCEL (HOPE)

The HOPE Team serves older adults with serious mental illness, age 60 and older, who are at risk of hospitalization, institutionalization, or homelessness.

ODYSSEY

Odyssey provides comprehensive integrated care for those with serious mental illness and currently or at-risk of becoming homeless.

INTEGRATED MULTI-SERVICE PARTNERSHIP ASSERTIVE COMMUNITY TREATMENT (IMPACT)
