

## Edit a Diagnosis From Services (My Office) List Page

### Navigate to Services List Page

- Click the Search Icon
- Type: Services
  - o Choose Services (My Office)

### Filter to narrow your search

- Recommended filter changes:
  - o DOS From/DOS To
  - o All Services
  - o All Programs
  - o Procedure Code: Contingency Management
- Click Apply Filter to update the list page

### Services (204)

A screenshot of a filter panel for a list of services. The panel contains several dropdown menus and checkboxes. The 'Contingency Management' dropdown menu is highlighted with a red box. Other filters include 'All Services', 'All Service Statuses', 'Include Do Not Complete', 'All Programs', 'Financial Assignment...', 'All Locations', 'All Clinicians', 'All Service Entry Staff', and 'All Service Areas'. There are also date pickers for 'Entered From', 'Entered To', 'DOS From', and 'DOS To'. Checkboxes are present for 'Include Services created from Claims', 'Only include Services with Add On Codes', 'Only show Non-Billable Services', and 'Show Only Active Clients'. An 'Apply Filter' button is located on the right side of the panel.

### Choose the Service

- Click the DOS hyperlink

### Services (204)

A screenshot of the Services list page. The filter panel is visible at the top, with 'Contingency Management' selected. Below the filter panel is a table of services. The table has columns for Client Name, DOS, Units, Charge (Rate Id), Procedure, Status, Clinician, Program, and Location. The 'DOS' column is highlighted with a red box, and the value '12/22/2023 12:26 PM' is visible in the first row.

Client Name	DOS	Units	Charge (Rate Id)	Procedure	Status	Clinician	Program	Location
	12/22/2023 12:26 PM		92.41 (10...	Contingency Manage...	Show			Non-residen...

## Edit the Diagnosis

- Click the Billing Diagnosis Tab
  - o If there is a Diagnosis Document created for this client and program, it will automatically populate here
  - o If the auto populated diagnosis is not the stimulant use disorder, you will need to add it in addition to the UA result and update the diagnosis priorities
- Click ICD10 Search Box
  - o Enter the IDC10
  - o Click Search
- In the Diagnosis ICD Ten PopUp
  - o Select the radial dial button for the correct ICD10
  - o Click Ok
- Change the diagnoses order if necessary
  - o Click the drop down and select the priority number for each diagnosis
- Click Save and X
